

Freedom of Information Request – Grant Applications

Thank you for your Freedom of Information Request, dated 3 March 2011
Your request to SEEDA was:

What I am asking is that your system be checked to see if such an application has been made to your Regional Development Agency from [REDACTED] company and whether or not it was successful.

I have checked with the relevant team within SEEDA and they have searched their records and can confirm that no application for funding has ever been received from the company in question.
